2012-2013 Financial Aid Information

FACTS Grant and Aid Assessment will conduct a financial needs analysis for each RCS family applying for tuition assistance. Any family applying for financial aid for the 2012-2013 school year **must**:

1. Complete a FACTS application online at www.factstuitionaid.com.
2. Pay FACTS \$25 application fee online with application.
3. Collect all required tax and supporting documentation (listed below).

Once you have submitted your online financial aid application and fee **and** all required documentation to **FACTS**, your application will be reviewed and analyzed by FACTS.

IMPORTANT – It is the applicant's responsibility to notify RCS of all updates to contact information (address, phone numbers and email).

Applications will be available only at www.factstuitionaid.com on January 17, 2011. Financial aid funds are limited. Families foreseeing financial need should prayerfully explore all possible sources of alternate funding, not just the financial aid program.

The following information is **REQUIRED** for FACTS to process your application:

- Completed online application along with the \$25 application fee (paid online to FACTS)
- Copies of 2011 Federal tax forms, including all supporting tax schedules (Must be 1040 or 1040ez, not an efile.)
- Copies of 2011 W-2 form or Self employed form 1099 for both parents/guardians
- Copies of supporting documentation for social security income, welfare, child support, food stamps, workers' compensation and TANF
- Current, active email address

Any questions regarding the FACTS application requirements or process, please call customer care toll-free number: 1-866-315-9262.
